iMouse™ M30

2.4GHz Wireless Optical Mouse

Make an impression with the Adesso iMouse M30, an input device built with a modern look and has a reliable wireless range (that extends up to 30 feet). Along with the low profile "sleek" feel and comfortable design, the M30 is well equipped with an optical infrared sensor, offering better accuracy and sensitivity than any traditional optical mice.

■ 2.4 GHz Radio Frequency Wireless Technology

With 2.4 GHz RF wireless technology you can enjoy working at any angle and at a distance of up to 30 feet.

■ Battery Saving

With the Auto-Sleep feature you can automatically maximize your battery life when mouse is not in use.

■ Optical Sensor

This mouse features a 1000-DPI optical sensor that improves speed, accuracy and reliability without hassle of clogged mouse ball.
