

# Kutronix® Xtream H3

Foldable and Rotatable Pivot Bluetooth 3.0 DJ Headphones

## ■ Product Overview

The Kutronix® Xtream H3 features Bluetooth® 3.0 wireless hands-free audio to go along with space sav-ing foldable headphone design that stores and travels well. Powered by a 50mm Neodymium magnetic driv-er unit delivers powerful, accurate vibrations. Make flawless hands-free phone calls using the integrated microphone. Never run out of Battery with the iOS on -screen meter. To give you true flexibility, we have de-signed dual input via Bluetooth or via 3.5" stereo jacks allowing you to use all kinds of devices.

## ■ Bluetooth® 3.0 Wireless Technology

Bluetooth® 3.0 wireless technology offers 30 feet of wireless freedom, plus lower battery consumption and higher security encryption. Has built in Omni-directional micro- phone to facilitate hands-free calling capability.

## ■ Rotatable DJ Pivot Headphones

Features Rotating, 180-degree DJ pivot mechanism so you can keep one ear on your audio and one ear on ex-ternal sounds.

## ■ Rechargeable Battery with iOS Indicator

Software interfaces directly with the iOS on your de-vice to show you in real-time how much battery life is available.

## ■ Dual Mode Audio Input

You can feed audio to your headset via Bluetooth® from your device or plug-into the 3.5" audio jack which al-lows you to use all kind of media devices at your discretion .
